STAINS

REMOVED WITH CARBONOL

A XLE grease, oil and grime, on cloth or on woodwork, are readily removed with Carbonol. Carbonol is a powerful liquid derived from coal tar. It dissolves grease and kills germs. It will remove the most obstinate stains which the ordinary cleaning and dyeing establishments give up as hopeless. It will brighten dingy rugs, dissolving the grease of the wool which makes them so hard to clean, and thus loosening the dirt and revealing the fresh original colors.

It will make floors and woodwork look cleaner than you will ever get them with ordinary scrubbing.

Carbonol is a powerful disinfectant. If you spray it on garbage,

for example, the odor of the garbage will immediately disappear and flies will keep away.

It will destroy musty smells in dark corners and closets.

As an antiseptic for personal use, it will relieve tender aching feet.

Use Carbonol wherever you need a powerful, harmless cleanser to dissolve grease, kill germs and to suppress odors.

We will send you a sample bottle free on request.

Barrett Manufacturing Company,
297 Franklin St.
Boston, Mass.

AT ALL DEALERS

As you can buy it at a right price, why ignore the ads and buy it at a higher price?

Better Than Spanking

Spanking will not cure children of wetting the bed, because it is not a habit but a dangerous disease. The C. H. Rowan Drug Co., Dept. 1982, Chicago, Ill., have discovered a strictly harmless remedy for this distressing disease and to make known its merits they will send a 50 cent package securely wrapped and prepaid Absolutely Free to any reader of The Caledonian. This remedy also cures frequent desire to urinate and inability to control urine during the night or day in old or young. The C. H. Rowan Drug Co., is an Old Reliable House, write to them today for the free medicine. Cure the afflicted members of your family then tell your neighbors and friends about this remedy.
